RE: Bi-Monthly News Letter of the Rogationist Indian Quasi Province

All the confreres of the Indian Quasi Province

All the Rogationist Confreres throughout the world

Dearest Confreres,

I would like to inform you that we have launched an official News Letter of our Quasi Province. It is entitled, Rogate Voice. I hope this medium of communication will update you about the news of our communities and the official communications of our Quasi Province. It was a desire of our beloved Fr. Luigi and the first issue has been dedicated to his tribute. The Rogate Empowerment Center in coordination with Quasi Province will publish the news letter. So, I am asking all the superiors and responsible of the communities to be prompt in sending the news to the provincial secretary or to the Rogate Empowerment Center. Let us be informed and updated about the different activities and programs of our communities.

May the example of our Fr. Founder be our inspiration and St. Thomas, the patron of our province bless us!

Yours sincerely,

Fr. Vinu Velutheppilly RCJ  
Secretary and Councilor

Fr. Shajan Pazhayil, RCJ  
Vicar of the QP
